## POSTFACE

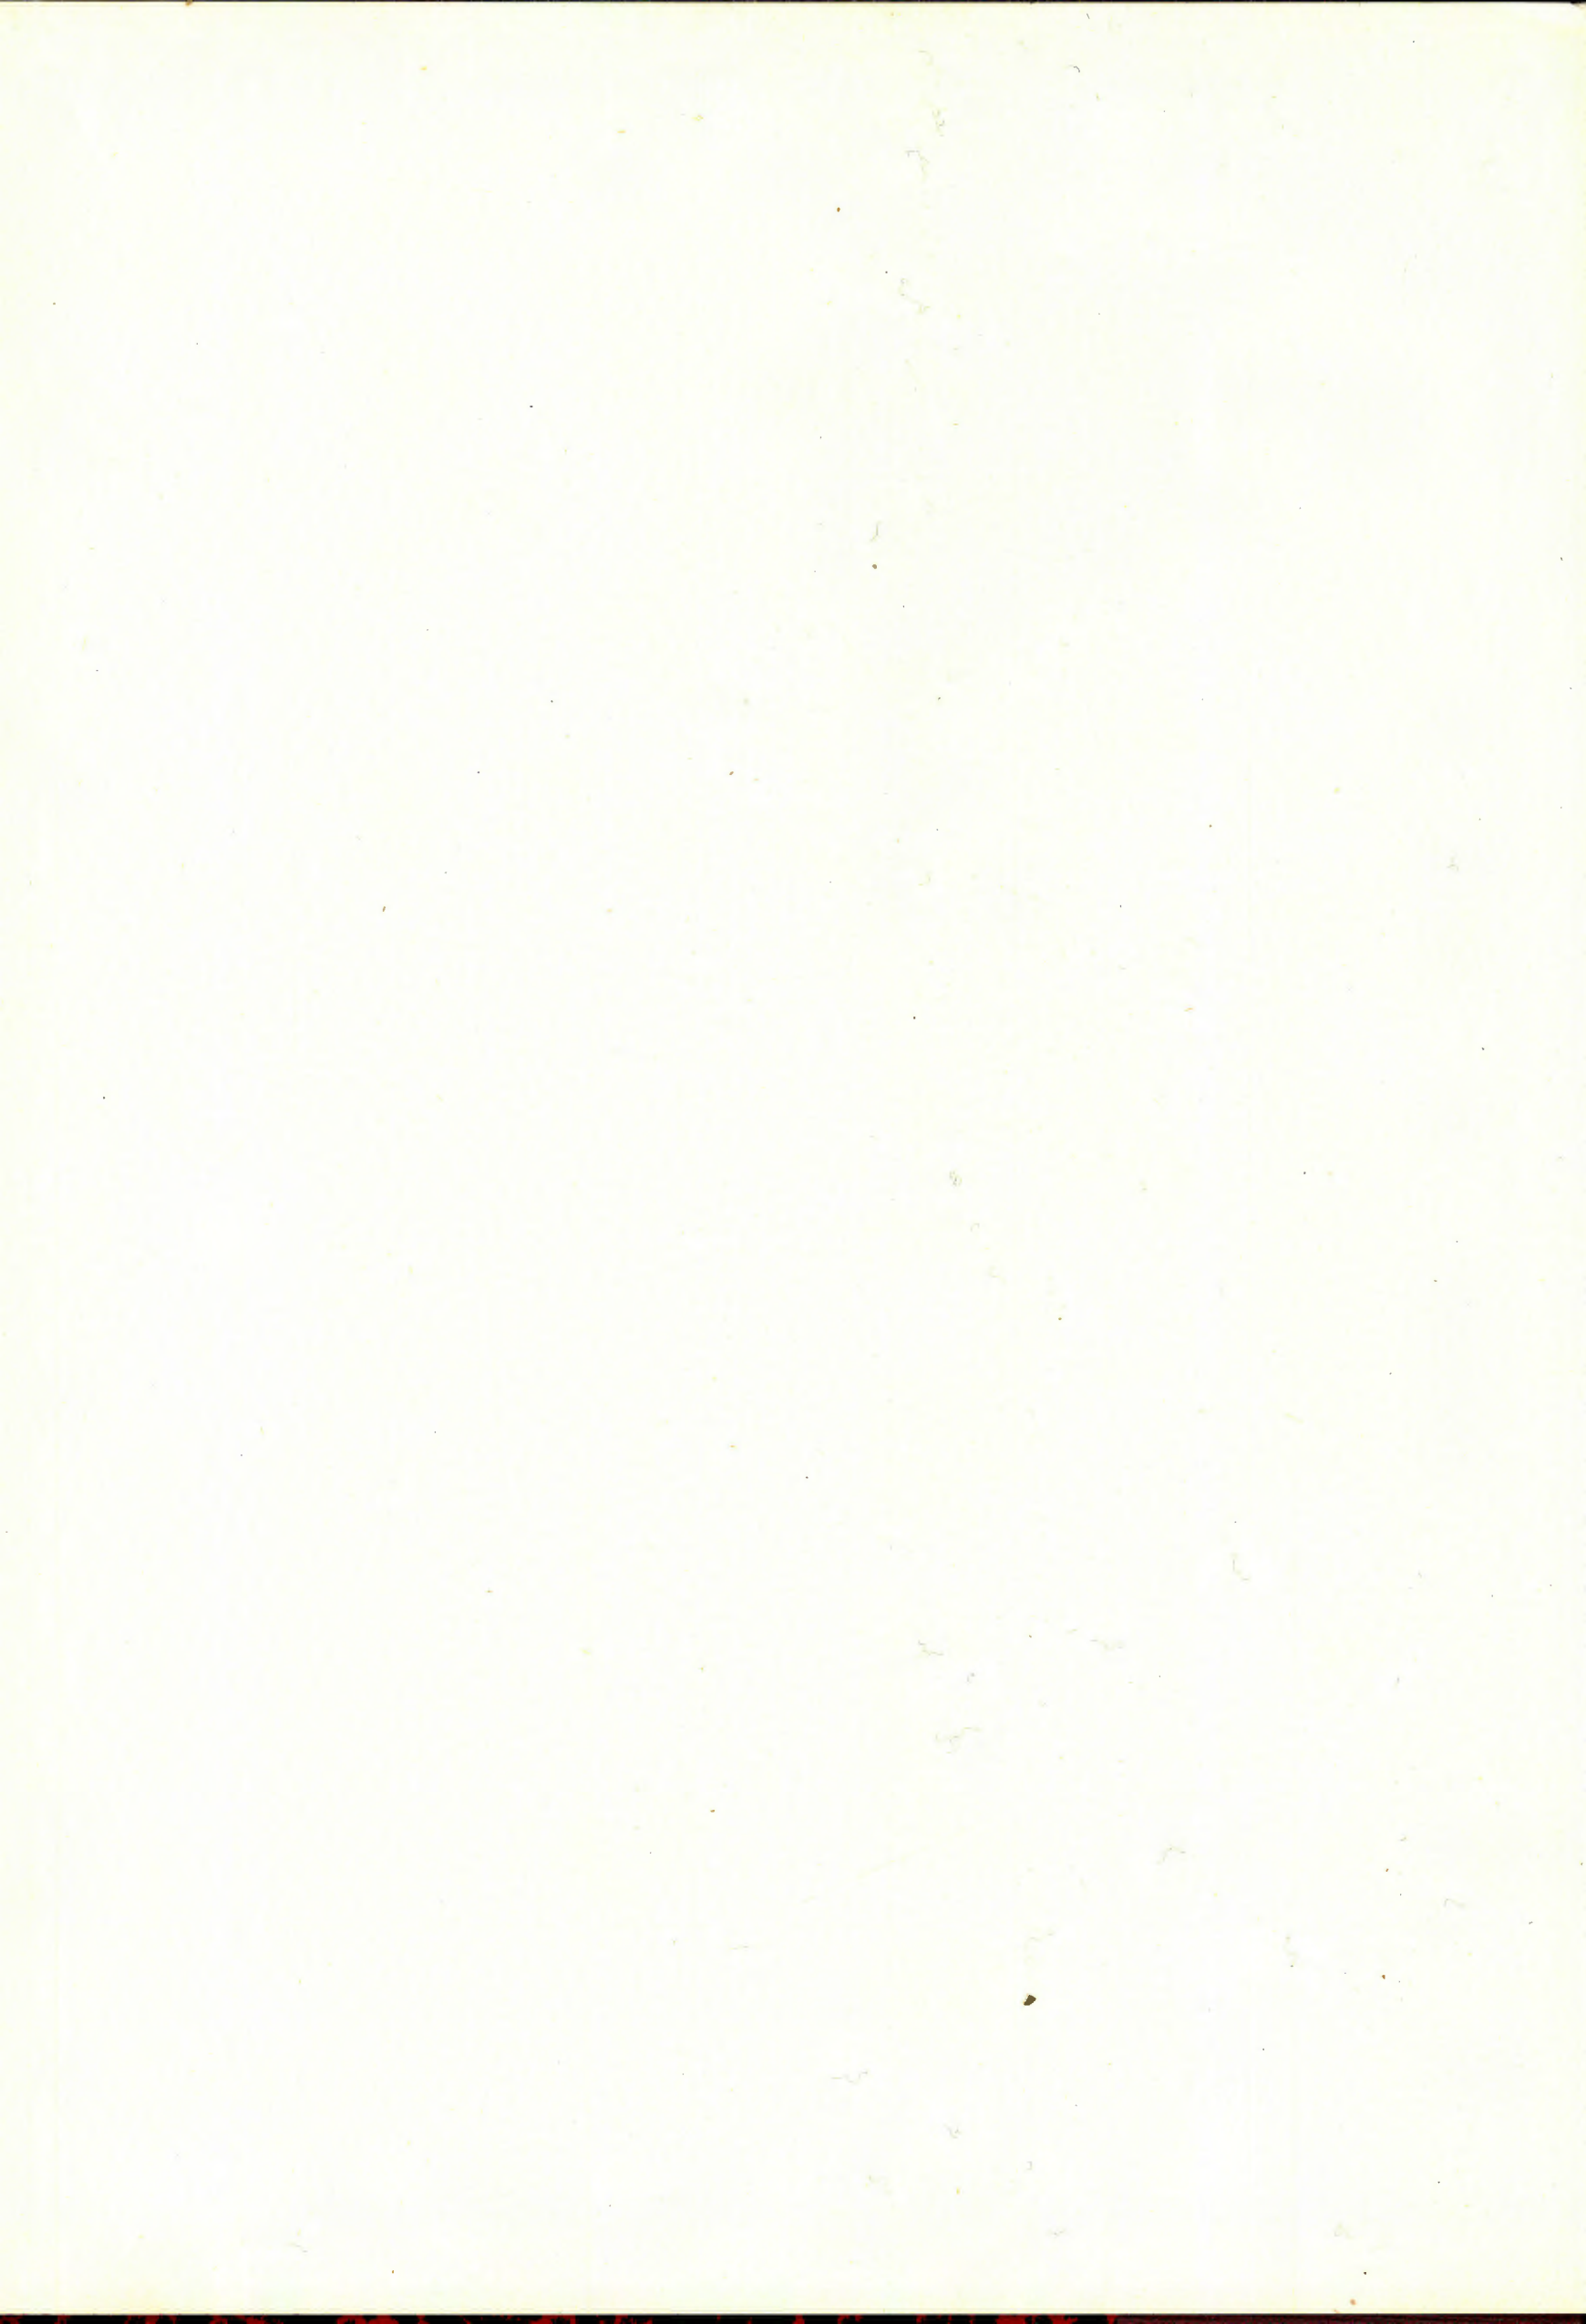

---

La mort de G. Reisner a considérablement retardé la mise au point et la publication du second volume d'*Amulets*. En 1957, à l'instigation du Directeur général du Service des Antiquités, M. Abd-ul-Fattah Hilmy et du Conservateur en chef du Musée du Caire, M. Moḥarram Kamal, l'un des conservateurs, M. Abd-el-Kader Sélim, a assuré la revision du manuscrit de Reisner; les dessins du manuscrit ont été encrés par MM. M. Fahmy (pl. I-XIII) et I. Sadek (pl. XIII-XX), dessinateurs au Service des Antiquités, et les pièces les plus remarquables ont été photographiées par MM. El-Mansoury et M. Abd-ul-Hady, photographes du Musée.

L'Imprimerie de l'Institut français d'Archéologie orientale (sous séquestre), sous la direction de M. Ali Assem, doit, d'autre part, être remerciée pour le soin qu'elle a apporté à cette publication.

Enfin, le Secrétaire des Éditions du Service des Antiquités assisté de M. Moḥammad Ḥasan Abd-ur-Raḥman, conservateur au Musée du Caire, a coordonné les efforts de chacun pour maintenir la valeur documentaire de ce nouveau *Catalogue général du Musée du Caire*.
